RUNES·OF·SYRONS Leaderboard ⚡

RUNES·OF·SYRONS is the governance token for the SYRON project, our Bitcoin-backed stablecoin. Designed to empower the community, it represents a key element in decision-making, providing you a direct voice in the future of decentralized finance on Bitcoin and the Internet Computer.

By participating in the SYRON ecosystem, you can unlock points that directly contribute to your influence and eligibility for the upcoming governance token airdrop, RUNES·OF·SYRONS. Track your progress on the leaderboard and explore ways to earn more points to climb the ranks!

Points Earning Activities

Points are awarded for completing the following activities:

1. Using the app to test the SYRON USD stablecoin
2. Joining TyronDAO
3. Participating in a customer interview
4. Sharing feedback

1. Test SYRON USD

Task	Testnet	Mainnet
Get your Safety Deposit Box (SDB) address	50	100
Deposit BTC into your SDB	100	200
Borrow SYRON USD (received in your UniSat wallet)	150	300

Please share any questions in our Telegram group.

⚠ Bitcoin Testnet3 is currently erratic, so points accrual on the testnet is not available until we migrate to Testnet4.

2. Join TyronDAO

Subscribe at TyronDAO.org to earn 500 extra points. As a member of our DAO, you'll receive an email to share your Bitcoin address and climb higher on the leaderboard.

3. Participate in an Interview

Earn 500 points by joining us for a 20-minute conversation where we'll explore your experiences with Bitcoin and Web3 technologies, such as ICP. Your insights are invaluable! Sign up by filling out **this form**.

4. Share Feedback

- Earn 100 points for logging into the **points.tyron.io** app using Vercel.
- Earn 100 points for leaving constructive feedback using the Vercel Toolbar.

⚠ Without using the points.tyron.io app, comments cannot be made nor the corresponding points awarded. **Remember to leave your Bitcoin wallet along with your comment.**
